

VGFA SPONSORSHIP

The Vinton Guild of Fine Arts (VGFA) is a 501(c)3 organization devoted to supporting the visual fine arts and artists in Vinton, Iowa and nearby communities. Your generous support will be used to cultivate appreciation for the arts through local shows and exhibits, workshops and classes, and major community art projects. The Guild also promotes and participates in local community events and hosts monthly art activities. Current donations will allow us to expand our reach within the community and maintain a permanent location for classes, events, meetings, and exhibits.
