

DESIGN A MURAL

Contest

for 3rd-12th graders

Youth artists: Grab your markers or paint and design the next children's mural for our annual Back Alley Evening of the Arts event.

Instructions: Draw design using colored pencil, markers, and/or paint, on white 8 ½ x 11 paper, board, or canvas. Can be portrait or landscape. Winning design will: 1) be colorful and have lots of elements, and 2) have a theme that kids would enjoy painting. Examples might be a farm, jungle, garden, toy store, picnic, whatever!

The final design will be outlined by a Guild member on to a 4' x 8' panel and painted by children at the event, so the completed mural will not look exactly like the original design.
